

## **A STEP TOWARDS MILESTONE**

**College Name :-** INDALA INSTITUTE OF PHARMACY, Bapsai-Kalyan

**APTI Co-ordinator Name :-** Ms. SANA SHAIKH

### **Success story of KBMSSSS's Indala Institute of Pharmacy**

KAI. BHASKARRAO MAHAJAN SAMAJIK SANSKRUTIK VA SHAISHNIK SANSTHA (KBMSSSS) Trust was formed in 2003, a Non-profit Making Organization providing educational services and is further proposing to diversify its services through setting up INDALA GROUP OF INSTITUTIONS where Indala Institute of Pharmacy (IIOp) is a part of it. IIOp came into existence in the year 2021 where we had the first batch for both Diploma & degree in Pharmacy with 60 students capacity in each stream. Well known educationalist, Mrs. Jayshree Mahajan, President, KBMSSSS, is very keen to deliver the world class quality education to the students. The Institute is also acting as a boon for students in this Rural Area, Providing them facility of Technical Education near their home town /village. Our Founder Chairman is proud to share that our Institute's foundation is based on four pillars i.e. determination, loyalty, courage, and selflessness. Our Institute's vision and mission is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This culture allows and emphasises our students not only to adopt present day challenges but also individual responsibilities to the society and our nation at large.

Last year , IIOp has established Industry Institute Interaction Cell (IIC) along with Co-curricular Committee with purpose of fostering the culture of team work and building a bridge between industry and institute. Co-Curricular committee members both from diploma and degree worked along with students to organize various events. Throughout the year IIOp Council members- Convener Ms. Sana Shaikh, Council Members Ms. Dimple Kundla and Mrs. Sneha Bhalerao actively conducted events such as Marathi diwas, Shiv Swarajya Abhisek Day, Tree Plantation drive, World Pharmacist Day, National Library's Day, National Voter's Day as per the schedule given by statutory bodies under the able guidance of Principal Prof. Vaibhav Kulkarni and President Mrs. Jayshree Mahajan. Covid-19 vaccine drive in association with Mission Yuva Swasthya and with the help of PHC government Hospital was a great success. More than 50 beneficiaries received vaccination in the college campus. Various seminars were organized by IIOp on topics like Sterilization: The impression for Parental pharmaceutical Preparations in building Quality Product, current industrial scenario etc. This hard work of college has resulted in achieving 100% results in FYBPharmacy and FYDPharmacy. To pave way for bright future seminars on how to start preparation for GPAT-2023, career counselling, what next after pharmacy etc were conducted by IIC. Because of the current covid-19 crisis even though the college is shutdown, the institute is struggling and working hard to take control of the situation and minimize its impact. Students are constantly motivated to participate in various inter college events. Its not about being perfect but its about making efforts.

## WORLD PHARMACIST DAY (25<sup>TH</sup> SEPTEMBER, 2021)

## COVID-19 VACCINE DRIVE (28<sup>TH</sup> OCTOBER, 2021)

# WEBINAR ON HOW TO START PREPARATION FOR GPAT- 2023
